Morgan, Richmond, Beatty, Wolfe, Hyatt

CA-Estate Dispute  
T-Property

To the Honorable H.A.W.Skeen, Judge of the Circuit Court  
of Lee County, Virginia:

Humbly complaining your Orators Archie R.Baylor and Robert A.Baylor, infants who sue by Jennie H.Baylor thier mother and next friend, and your Oratrix Jennie H.Baylor in her own right, will respectfully show to your Honor that on or about the 1st day of May, 1901 Charles E.Baylor the father of your Orators and the husband of your Oratrix, departed this life having first made and published his last will and testament; that at the time of his death, said Charles E. Baylor was ~~saised~~ and possessed of a very valuable estate consisting of personalty and realty; that letters of administration on the personal estate have been granted by the County Court of Lee County to John A.G. Hyatt, who has entered upon the discharge of his duties as such administrator, with the will of the said Charles E.Baylor annexed; that the real estate of the said Baylor consisted of a very valuable farm situated at and near Boon's Path about fifteen miles west of the town of Jonesville in the beautiful Powells Valley and lying on both sides of the road leading from Jonesville to Cumberland Gap, containing from six to eight hundred acres; that this farm is in high state of cultivation and susceptible of partition among those entitled thereto; that he was also the owner of three valuable lots at or near the Rose Hill depot and in the plat laid off and dedicated by the late Col.A.H.Fulker son as and for a town site; that upon one of these lots there is erected a very valuable and commodious store-house; that the said Charles E. Baylor owned a valuable lot, as they are informed, in the town of Big Stone Gap, in Wise County, Virginia, the number and location of which lot is now unknown to your Complainants, but the deed for the same will be furnished in due time so as to properly designate said lot.

Your Complainants will now show your Honor that said Charles E.Baylor left surviving him your Oratrix, the said Jennie H.Baylor, his widow, and the following children, his heirs at law and the devisees under his last will and testament, to whom said lands descended, or was devised. No direct disposition was made by said will of said land and they pass under and by said will in the regular course of descent, to-wit, Lon H.Baylor, Harry Baylor, Hattie M.Baylor, Archie R.Baylor

and Robert A. Baylor; that Your Oratrix is entitled to dower, in said lands, which has not yet been assigned to her.

Your complainants will now show your Honor that while the real estate situated in said County of Lee is susceptible of partition, especially said farm, that the lot situated at Big Stone Gap, in Wise County should be sold, the same not being susceptible of partition. The lots at Rose Hill can be partitioned by assigning them to some one of those entitled thereto and by giving ~~the~~ to that one less of the home farm, or these lots can be sold and the proceeds divided among those entitled, as being most advantageous to the interest of the parties concerned.

Your Complainants will now show your Honor that the said Charles E. Baylor owed vaery few debts, if any, and that his personal estate is amply sufficient to pay all of said debts together with such bequest as was made by said will, and then leave, as they are informed, from Forty to Fifty Thousand Dollars for distribution, and the only object of this bill is partition of said real estate.

Your complainants will now show your Honor that said testator left as they are informed real estate situated in the state of Tennessee and located at Shawanee, Morristown and Knoxville, but they are informed that this Honorable Court can do nothing with respect to said real estate so situated.

Now the object of this Bill is to have the real estate owned by the said Charles E. Baylor at the time of his death and situated in the state of Virginia, partitioned among those entitled and to have dower assigned to your Oratrix the said Jennie H. Baylor, and being without adequate remedy at law, your Complainant pray your Honor's Court of Chancery to take cognizance of their cause, and grant them proper relief, to this end they make the said Lon H. Baylor, Harry Baylor and Hattie M. Baylor the parties defendant to this Bill; that they be required to answer the same, but not under oath as that is waived: that a guardian ad litem be appointed to answer for the said Hattie M. Baylor who is an infant under the age of twenty-one years: that upon a final hearing said lands be partitioned in kind, where that can be

done and by sale and partition of the proceeds where partition in kind  
is inexpedient; that dower be assigned to your Oratrix the said Jennie  
H.Baylor in said real estate, and for full and complete general relief.  
And your Complainants will ever pray &c.

D E C R E E.

These two causes coming on again this day to be heard, upon the papers formerly read herein, and depositions taken since the last term of this court, was argued by counsel: Upon consideration of which it is adjudged, ordered and decreed that as to the tract of land of 144 acres, in litigation in the second of the above styled causes, being the same land which was conveyed by Charles Daugherty and wife to Harriet M. Baylor and her husband, Charles E. Baylor, to B. M. Morgan, by deed dated February 28, 1877, recorded in Lee County D. B. 18, page 76, upon the trust set up in the bill in the second of said causes, and in the answer to the first of said causes, and that the legal title to said land was improperly conveyed by the said B. M. Morgan and his wife to Charles E. Baylor, and in order to perfect the legal

title to said land in the said Lon H., Harry, and Hattie M. Baylor, L. T. Hyatt is hereby appointed a special commissioner to convey to said Lon H., Harry and Hattie M. Morgan and wife to him, dated December 12, 1877, and of record in Lee County D. B. 37, page 521. He shall convey with covenants of Special Warranty, and acknowledge said deed for recordation, and report his action hereunder to this court at a future term. It is further adjudged, ordered and decreed that the temporary injunction awarded in this cause on January 29, 1902, be and the same is hereby made perpetual, so far as the same pertains to the said tract of 144 acres of land, and any interest therein of Jennie H., Archie R. and Robert A. Baylor. It is further ordered that the commissioners, L. M. Carmical, M. S. Ball, Wright Stickley, George W. Russell and J. P. Albert, heretofore appointed in the first of the above styled causes for that purpose, shall proceed to carry out the requirements of the decree entered in this cause at the November term, 1901, subject to the provisions of this decree hereinbefore set forth. Baylor, exclusive of the said 144 acre tract, and shall make partition of said lands among the five heirs at law of the said C. E. Baylor mentioned in the said decree of the November term, 1901, outside of said 144 acre tract of land, and shall partition said 144 acre tract among the three heirs mentioned exclusively, to-wit, Lon H., Harry and Hattie M. Baylor, and in all other respects they shall comply with the said decree of the November term, 1901, and shall file their report herein as soon as practicable. *And it is adjudged that the plaintiffs in the signed above styled cause recover from the defendants therein their costs by them expended thereon, for which execution may issue*  
This cause thereupon came on further to be heard, upon the report of J. A. G. Hyatt, Receiver, filed herein November 5, 1902, which

sets forth that he had rented the real estate of the said C. E. Baylor including the 144 acre tract for the year 1902, for \$770., which sums would be payable, and most likely be paid, by January 1, 1903, and that of this amount, \$200. was for the rent of the 144 acre tract, and after argument by counsel thereon, and said report not being excepted to, it is adjudged, ordered and decreed, that said report be approved. This cause came on this day to be heard upon the bill of the complainant, the answer of the defendant Hattie M. Baylor and infant under the age of twenty-one years, by Geo. P. Cridlin, her guardian ad litem, and was argued by counsel.

And it appearing to the Court that process has been duly served upon the adult defendants L. H. Baylor and Mary Baylor for more than fifteen days before the first day of this term of the Court and that they have each failed to appear, answer, plead or demur to said bill, the same is taken for confessed against them.

On consideration of which and the Court being of opinion that the plaintiff Jennie H. Baylor widow of Chas. E. Baylor deceased is entitled to dower in the land owned by the said Chas. E. Baylor at the time of his death situated in the County of Lee and state of Virginia and that said land is susceptible of partition and that the parties are entitled to have the same partitioned, it is therefore adjudged, ordered and decreed that L. Baylor at the time of his death, for her natural life, as and for her dower in said land; they will then assign to each of the five children of the said C. E. Baylor one equal fifth of said real estate, and they will assign, if the same can be done, without injury to the rights of the other coparceners, the shares allotted Archie E. Baylor and Robert A. Baylor, each of whom are infants, adjoining the dower assigned to their mother the said Jennie H. Baylor. In making said partition said commissioners will have due regard to quantity, quality, value, improve-

ments, water and ways. Said commissioners, any three of whom may act will proceed at their earliest convenience to discharge the duties herein imposed upon them and will report their action to some future term of this Court,

The depositions of B. M. Morgan and H. J. Morgan, taken before me, Mayo Cabell, a Notary Public in and for Lee County, Virginia, at the office of L. T. Hyatt, in Jonesville, in said county, on the 10th. day of October, 1902, to be read in evidence on behalf of the defendants in a certain suit in chancery now pending in the circuit court of Lee County, Virginia, wherein Jennie H. Baylor, and others, are plaintiffs, and Lon H. Baylor, and others, are defendants, and on behalf of the plaintiffs in another certain cause in chancery pending in said court, wherein Lon H. Baylor and others are plaintiffs, and Jennie H. Baylor and others are defendants. Taken by agreement of all the parties, by counsel.

PRESENT: C. T. Duncan, Attorney for plaintiffs in said first styled cause, and for defendants in said second styled cause.

L. T. Hyatt and R. T. Irvine, Attorneys for defendants in said first styled cause, and for plaintiffs in said second styled cause.

B. M. MORGAN, being first duly sworn, deposes as follows:

DIRECT EXAMINATION.

By Mr. Irvine.

Q. 1            Please state your age, occupation, and place of residence?

A.            I am 67 years old, or a little over; am at this time clerk of the county court, and reside at Jonesville, Va.

Q. 2.           Please state if you were acquainted with C. E. Baylor in his lifetime, and Hattie M. Baylor, his first wife, in her lifetime?

A. Yes sir.

Q. 3. We show you exhibit 3, filed with the plaintiff's bill, in the suit of Lon H. Baylor, et al, vs Jennie H. Baylor, et al, which purports to be a copy of the deed dated 28th day of February, 1877, between Chas. E. Baylor and Harriet M. Baylor, his wife, of the one part, and Benjamin M. Morgan, of the other part. We ask you if you are the same Benjamin M. Morgan referred to in that deed?

A. It appears to me that he wrote it Benjamin. That isn't my name. ~~im~~ I was the one that was intended to be named, although my real name is Benedict M. Morgan.

Q. 4. Please state if you paid any of the consideration mentioned in this deed?

A. I did not.

Q. 5. We now show you Exhibit 4, filed with the aforesaid bill, which purports to be a copy of the deed dated Dec. 12, 1877, between B. M. Morgan and Lizzie, his wife, of the first part, and Charles E. Baylor of the second part, and ask you if you are the same B. M. Morgan who is mentioned in this deed?

A. Yes sir, I am: at least, I conveyed the same land back to Charles E. Baylor.

Q. 6. Please state whether or not you received any of the consideration mentioned in said last named deed?

( This question, and any answer thereto, is objected to as evidence, because upon the receipt of the consideration the deed itself is the best evidence. 2. Said deed declares that it is in consideration of the sum of \$5000., in hand paid by said Baylor, the receipt whereof is acknowledged, and it is incompetent for the witness now to contradict the plain statement contained in the dee

especially since the said Baylor is dead, and therefor cannot be heard to explain for himself said transaction.

3. This witness is incompetent to testify at all, be-  
cause (with regard to this deed)

it is the subject of investigation in the case, and Mr. Baylor, the other party to said contract, being dead, this witness is incompetent to testify with regard to it. C. T. Duncan. )

A. No, sir, I never received anything. There was no money passed between us at all. When I bought the place I never paid him anything. The deed was just made to me according to his request. No money passed at all either way.

C R O S S - E X A M I N A T I O N.

By Mr. Duncan.

(Not waiving the objection to the testimony of this witness in reference to the contradiction in the recitals in the deed, and not waiving the objection on account of his incompetency as witness, but relying and insisting thereon, and subject thereto, counsel for the plaintiffs in the first styled cause, and for the defendants in the last styled cause, will now cross-examine said witness.)

X Q 1. Mr. Morgan, on page 3 of the bill of Lon H. Baylor and others against Jennie H. Baylor and her two children, it is alleged, among other things, that it was the purpose intention and agreement between all of the said parties,

that is, between C. E. Baylor, Hattie M. Baylor and yourself, that you should reconvey the tract of land conveyed to you by Mr. Baylor and his wife to the said Harriet M. Baylor, or to her child, or children if more than one should survive her, as the case might be, in the event that she survived her approaching confinement. I will ask you to state if there was ever such an agreement as that between you and them?

A.

( This question is objected to as not a cross examination on the examination in chief of this witness; and further, if because this witness is incompetent to testify because of the death of Charles E. Baylor, he is equally incompetent to testify in this case because of the death of Harriet M. Baylor. Hyatt & Irvine. )

A.

No sir; I don't recollect anything of the sort. There was an agreement between me and Mr. Baylor, and my recollection is that his wife also requested me to convey it to Charles Baylor. That is my recollection. But he wasn't to convey it to her or to her children.

X Q 2.

In the deed made by Harriet M. Baylor to you, the consideration is stated to be \$5000, to be paid in three equal instalments. Afterwards, you conveyed to C. E. Baylor. I will ask you to state if that conveyance to C. E. Baylor wasn't to be treated as a full satisfaction of the agreement entered into between you and Mr. Baylor and his wife, and a full satisfaction of the purchase-money mentioned in said deed for which said lien was retained?

( This question and the answer thereto is objected to for the reasons stated in the last foregoing objection, and for the further reason of the death of Chas. E. Baylor. Hyatt & Irvine.)

A. Yes, that was how I understood it. In the first place, Mr Baylor and wife conveyed to me, with the understanding between Mr. Baylor and me that I was to convey back to him. That was my understanding, and I think Harriet, his wife, told me she wanted me to convey it back to Mr. Baylor. No money passed between us. The understanding was that I was to convey it back to him for the same consideration, and when I conveyed it back, that settled the matter.

ALSO the deposition of H. J. MORGAN, who being first duly sworn, deposes as follows:

Q. 1 State your age, occupation, and place of residence?

A. I am 75, approaching 76 pretty close; retired lawyer and banker; and live at Jonesville, Va.

Q. 2 Did you know Charles E. Baylor in his lifetime?

A. I did; I knew him well.

Q. 3 Did you, or not, prepare and take the acknowledgment of a deed from your brother, B. M. Morgan, and his wife, to Charles E. Baylor for 144 acres of land, which is referred to in Exhibit 4 filed with the bill in the suit now before us of Lon H. Baylor, et al, vs Jennie H. Baylor, et al, which exhibit I now hand you.

A. My recollection is that I did prepare the deed by which B. M. Morgan and Lizzie Morgan, his wife, conveyed to Charles E. Baylor the tract of land referred to. I think I took the acknowledgment as commissioner.

Q. 4 Please state at whose request you prepared this deed?

A. My recollection is that I prepared it at the request of B. M. Morgan.

Q. 5 Please state whether or not you ever had a conversation with Mr. Baylor himself, or the first Mrs. Baylor, with regard to this deed?

A I don't recollect that either Mr. Baylor or his first wife, Hattie, ever said one word to me about it.

Q. 6 I will ask you if you ever had a conversation with Mr. Baylor in his lifetime concerning the writing of a will for his then wife, Hattie M. Baylor, and if so, whether you wrote a will for her at his request, and what you did with said will if you did write one?

A. ( The foregoing question and any answer thereto is objected to as evidence because immaterial and irrelevant to any issue involved in the causes in which it is proposed to read this deposition as evidence, and because the fact of whether or not the witness ever wrote a will for Mrs. Baylor is irrelevant and immaterial. C. T. Duncan.)

A. Mr. Baylor, in his lifetime and in the lifetime of his first wife, stated to me on one occasion that his wife was the owner of some real estate, and that in the event of her death before that of Mr. Baylor she wanted Mr. Baylor to have her estate, and he asked me to write a will for Mrs. Baylor by which she would devise her real and personal estate to him, and I accordingly wrote such a will, and, as well as I now remember, I transmitted it to Charles E. Baylor by mail. And that is the last I have ever seen or heard of it.

Q. 7 Please state as near as you can the time when this will was written, and the circumstances with regard to the

health of Mrs. Baylor, if any were mentioned to you by Mr. Baylor in that connection, at which you wrote this will?

A. (This question and the answer thereto is objected to as evidence for the same reason stated above, and because any answer of the witness in reference to Mr. Baylor's statement, if he made any, of the health of his wife, would be mere hearsay. C. T. Duncan. )

A. I can't fix the date at which this conversation occurred. It occurred, however, prior to the birth of Lon Baylor, and some time, as well as I now remember, after Mrs. Baylor's first confinement. During the conversation, Mr. Baylor told me that it was possible, or even probable, that his then wife might not live very long, and that in the event of her death she wanted her estate to go to Mr Baylor. She wanted her estate to go to Mr. Baylor rather than to her brothers and sisters, and he also said that if his wife should ever be confined under the same circumstances, she would not be apt to live.

Q. 8 We understood from your previous answer that the will thus prepared by you made an absolute devise of the whole of Mrs. Baylor's estate to her husband, Charles E. Baylor. Is that correct?

( Objected to because immaterial. C. T. Duncan.)

A. That is correct, according to my present recollection.

Q. 9 Please state what you did with the deed from B. M Morgan and wife to Charles E. Baylor after you took the acknowledgment of Mr. Morgan and wife to it?

A. I don't recollect distinctly, but my opinion is that I sent it to Charles E. Baylor by mail.

C R O S S - E X A M I N A T I O N .

By Mr. Duncan.

X Q 1.           What official position did you hold, if any, in Lee County from about the year 1870 to the year 1883?

A.               I was county court judge from May, 1870, as well as I now recollect, until February, 1880, I reckon. That is my best recollection. And from that time to 1888 I was trying to practice law a little.

X Q 2.           Was there any will of Harriet M. Baylor ever probated in any of the courts of Lee County, so far as you know?

A.               There was no such document ever probated so far as I know in any of the courts of this county.

( It is agreed by counsel for both sides of this case as a fact in these causes, that no will of Mrs. Hattie M. Baylor has ever been admitted to probate in Lee County, Virginia, and that at the time of her death she was domiciled in Lee County.)

X Q 3.           Did you ever have any conversation with Hattie M. Baylor, either before you wrote what you intended for her will or after that time, in reference to her making a will?

A.               I never did, according to my present recollection. In fact, I don't remember of ever speaking to Harriet M. Baylor after Charles E. Baylor and her moved from Mulberry Gap over to where she died. I don't remember when that was. My best recollection is that ~~ix~~ it was sometime between the year 1869 and 1875.

X Q 4.           At the time you prepared the will at the request

of C. E. Baylor, and at the time you prepared the deed at the request of B. M. Morgan, you were a practicing attorney, were you not?

A. Yes, I was trying to practice law.

X Q 5. You prepared that deed, as I understand you, at the request of B. M. Morgan. Did you prepare it as he requested it prepared. I mean, did you make the grantee the person he desired it made to?

A. I think I did. That is my recollection. I prepared the deed just as he directed it. I think B. M. Morgan told me that the purpose was to get the title out of Mrs. Harriet M. Baylor and vest it in Charles E. Baylor.

( The latter part of this answer is objected to as hearsay. Hyatt & Irvine. )

J. S. B. RICHMOND, another witness, being first duly sworn,  
deposes as follows:

Q DIRECT EXAMINATION.

By Mr. Hyatt/

Q. 1 State your age, residence and occupation?

A. I am 36 years old; live at Ewing, Va., and my occupation is that of a merchant and farmer.

Q. 2 Were you acquainted with Charles E. Baylor in his lifetime?

A. Yes, sir.

Q. 3 Did you ever have a conversation with said Charles E. Baylor in his lifetime in which he told you anything concerning a 144 acre tract of land formerly belonging to his wife, Harriet M. Baylor. If so, state where the conversation occurred; when it occurred, as near as you can remember, and what he said in regard to it?

( The right to object to this question and any answer thereto is reserved until the answer is made, because in the present form of the question it is impossible to tell whether the testimony will be admissible or not. C.T.Duncan.)

A. There was nothing said about the acres of land. He told me in Knoxville, Tenn., and I can't state the time, but I think it was in May after the store was burned here. He said that his children would get the land that belonged

to their mother.

( The foregoing question and especially the answer thereto is objected to as evidence in this case, because it is irrevalant and immaterial, and the title to land in Virginia cannot be passed by verbal statements. C.T.Duncan.)

Q. 4\$            In that conversation, did he mention which of his children would get this land?

A.                He said Harry, Lon and Hattie.

( This answer is objected to for the same reason stated above. C. T Duncan. )

Q. 5            Did you ever hear Mr Baylor say anything about a conveyance by him and his wife, Harriet M. Baylor, to B. M. Morgan of said land, and a re-conveyance by said Morgan. If so, tell what he said, when it was, and where?

( This question and answer thereto is objected to as evidence, because it is mere hearsay. It is immaterial and irrevalant to any issue involved in this cause. The title to land cannot be passed by an oral statement. C. T. Duncan. )

A.                He said it was conveyed because she would rather he would have it than the Beatys. It was in Knoxville, Tenn., at the same time.

Q. 6            Did he in that conversation tell you why the said conveyance was made?

( Objected to because immaterial and irrevalant. C. T. Duncan. )

A.                He said at that time his wife was not expected to live. He didn't tell me the reason of it.

Q 7            Did he in that conversation, or any other, say how the title to the land then stood?

( objected to because irrelavant and immaterial.

C. T Duncan. )

A. He said the title at that time was in him from Morgan.  
But there was nothing on record to show it.

Q. 8 Did he say why he had never recorded the deed from  
Morgan?

( Objected to as immaterial and irrelavant, C.T.Duncan)

A. He said the children would get it - that is, Lon, Harry  
and Hattie.

( The last answer is objected to because it is in no  
way responsive to the question asked. C. T. Duncan. )

C R O S S E X A M I N A T I O N .

By Mr. Duncan.

X Q 1. You say that this conversation between you and  
Mr. Baylor occurred, as you think, in May after the store  
was burned. Do you remember the year in which the store was  
burned?

A. I think it was in 1897. I am not certain though.

X Q 2. Then the conversation would have been in May, 1898?

A. I think it was in 1898, in May.

X Q 3. Any other person present at the time of that conversa-  
tion except yourself and Mr. Baylor?

A. No, sir.

X Q 4. Was the conversation in the day time, or at night?

A. I think it was at night, after supper.

X Q 5. And in that conversation he said to you, if I under-  
stand you correctly, that his children would get the land  
that belonged to their mother. Is that right?

A. Yes, sir.

X Q 6. And he also said that the land was conveyed to him because his wife would rather he should have it than the Beatys?

A. Yes sir; that is exactly what he said.

X Q 7. Which language did he use first - the language that the land was conveyed to him because his wife preferred him having it to the Beatys, or the language that his children would get the land that belonged to their mother?

A. Well, I can't state that, Judge, which.

X Q 8. What lead up to the conversation between Mr. Baylor and yourself with reference to that matter or to the children?

A. Well, he brought it up himself. The conversation commenced about the store here being burned. I don't guess that has anything to do with it, has it?

X Q 9. The store-house that was burned did not stand on that piece of land that was conveyed to Mr. Baylor by Mr. Morgan, did it?

A. I don't know, sir, whether it did or not.

X Q 10. Did Mr. Baylor in that conversation say anything about how he was going to pass the title out of himself to the children of his first wife?

A. No, sir, he did not.

X Q 11. You have never had any further conversation or any other conversation with Mr. Baylor in regard to the land matters either before or after that one conversation, did you?

A. In regard to this land, I didn't.

X Q 12. Was Mr. Baylor a talkative man with reference to his private affairs, or was he rather reticent?

A. That was the only talk he ever had with me about this

business. You know how he was at that time. He was troubled some, I reckon. He was not talkative at all. I done a good deal of business for him for a long time, and he talked to me about that.

ALSO the deposition of Mrs. Callie Beaty, who being first duly sworn, deposes as follows:

Q. 1            Please state your residence and relationship to Mrs. Harriet M. Baylor?

A.            I live near Boone's Path, Va. Mrs. Baylor was a sister of my husband's.

Q. 2            You were acquainted with Mrs. Baylor in her lifetime, were you?

A.            Oh, yes.

Q. 3.           How near did you live to her?

A.            Well, it is about 1 mile, I suppose.

Q. 4            Did you ever have any conversation with her with reference to her estate. If so, state when it was, as near as you can remember, where it was, and what she said?

( This question, and any answer thereto, is objected to as evidence for any purpose, because it would be mere hearsay. 2. The acts of Mrs. Harriet M. Baylor could not be affected by declarations made by her before the act was done, and if the conversation which the witness is expected to testify to occurred after Mrs. Baylor acted, her acts could

neither be affected or explained thereby. C. T. Duncan )

A. She was at my home. It was a few months before Lonny was born, and I don't know how old Lonny is. She said that if she should die without a living heir, she had fixed it so that Charlie should inherit her estate.

Q. 5 By Charlie, whom did you understand her to mean?

A Her husband, Mr. Charlie Baylor.

Q. 6 In the answer to a preceding question you say " a few months before the birth of Lonny." By Lonny, do you mean Lon H. Baylor?

A. Yes, sir, Lon H. Baylor.

C R O S S E X A M I N A T I O N .

By Mr. Duncan.

X Q 1. I would like, Mrs. Beaty, for you to fix as nearly as you can how long it was before the birth of Lon H. Baylor that this conversation occurred?

A. I don't think it could have been more than two months. It mightnot have been so long. I can't remember exactly. It was soon after this matter was fixed up between her and Charlie, and I don't remember when that was.

X Q 2. Did she tell you how she had fixed it?

A. She did not.

X Q 3. State, Mrs. Beaty, if you can, the date of the birth of L. H Baylor, Harry Baylor and Hattie Baylor, and also state in this connection the date of the death of Harriet M. Baylor, the first wife of Charles E. Baylor?

A. I cannot tell either one of these events by my personal recollection, but an examination of the records of these events in the Bible, in the handwriting of Charles E. Baylor,

shows the following: That H. A. Baylor, who is now known as Lon H. Baylor, was born June 9, 1877; Harry Baylor, January 18, 1879; Hattie A. Baylor, December 17, 1881; and Harriet M. Baylor, first wife of Charles E. Baylor, died December 26, 1881.

R E - D I R E C T    E X A M I N A T I O N .

By Mr. Hyatt.

R Q 1.            I will now ask you a question which I omitted to ask in your examination in chief. What was the condition of Mrs. Baylor's health at the time of the conversation you refer to?

A.                It was very good at that time.

R Q 2.            Some time before this had she given birth to a child, and at that time was her life in danger, as you understood?

( This question and answer thereto is objected to, because the understanding of the witness is not evidence, and the fact whether or nother life was in danger, is a matter of proof by a specialist upon that question. C. T. Duncan. )

A.                Yes sir.

R Q 3.            Did she apprehend danger to her life in case of a second birth, as you recall?

( This question is objected to because immaterial and irrelevant, and would be only hearsay as to this witness. C. T. Duncan. )

A.                Yes, sir.

*Mayo Cabell*

Notary Public.

\*\*\*\*\*

MET, pursuant to adjournment, at the residence of M. R. Wolfe, in Lee County, Virginia.

PRESENT: Same attorneys as heretofore.

M. R. WOLFE, being first duly sworn, deposes as follows:

Q. 1 State your age, occupation and place of residence?

A. I am 46 years old; foreman of mines; and live at Brown's Switch, Lee County, Virginia.

Q. 2 Were you acquainted with Charles E. Baylor in his lifetime?

A. Yes, sir.

Q. 3 Did you ever have a conversation with said Charles E. Baylor with respect to a tract of land occupied by him and adjoining the lands of A. H. Fulkerson. If so, tell when and where the conversation occurred as near as you can, and what Mr. Baylor said with regard to the matter as you remember it?

( The right to object to the foregoing question and answer thereto is reserved until the answer is made, because as the question is asked it is impossible to tell whether the testimony will be legitimate or relavant. C. T. Duncan. )

A. Well, I was cutting some timber for Mr. Baylor South of the dwelling house, and Mr. Fulkerson came up to where I was at work, and seemed to think that I had cut down hill far enough, and he said not to cut any further. I went over to the store to see Mr. Baylor about it, and he said to come over to his office to see him about it. We went there and he said he had a deed and plat to the land, and looked in a safe and got out a deed that was to the land, is my recollection, and he said the deed had never been recorded. We looked over the plat more particular than anything else. I don't know if I looked at the deed, but I looked at the plat so as to see the lines. This is about all the conversation we had about it.

Q. 4 You haven't mentioned when this conversation occurred?

A. I don't remember the date exactly, but think it was some time about 1892 or 1893.

Q. 5 Did you formerly follow the trade of carpenter?

A. Yes, sir.

Q. 6 Did you assist as a carpenter in building the dwelling house occupied by Mr. Baylor at the time of his death?

A. Yes, sir, I worked on his house.

Q. 7. During the construction of said house, and while you were at work there, did you hear Mr. Baylor make any remarks or have any conversation with regard to this land, and if so, tell what he said?

( The right to object to this answer is reserved, for reasons stated in last preceding statement by counsel.

C. T. Duncan. )

A. Well, I was at work on the front of the house when Lonny was just a very small child - probably wasn't more

than one month old. I remember Mr. Baylor brought him out in his arms on the porch, and talked about it. I remember he said Dr. Spencer told him and his wife that his wife would not live. And he went on to say that through the representations of Dr. Spencer his wife sold the place there. I remember he said that. He may have said more about it, but I don't remember. He said that was proof to him that doctors didn't know more than ~~one~~ half they said, anyway. If I ever heard Mr. Baylor say anything about buying the property back, I don't remember . . .

Q. 8            In your last answer, you speak of Lonny. Do you refer to Lon H. Baylor?

A.            Yes, sir.

C R O S S - E X A M I N A T I O N .

By Mr. Duncan.

X Q 1.            This last conversation that you heard Mr. Baylor have when you were working on the house was in the lifetime of his first wife, was it not?

A.            Yes, sir.

X Q 2.            Do you remember how long Mrs. Hattie M. Baylor lived after that time?

A.            I think Mrs. Baylor must have lived some 6 or 8 years afterwards. I will say 6 years.

X Q 3.            When you were cutting timber, as stated by you in the first part of your deposition, when Col. Fulkerson interposed the objection, who were you cutting timber for?

A.            I was cutting for Mr. Baylor.

X Q 4.            When he showed you the deed, he claimed it as being the deed to that land, did he?

A. I think he did. My recollection is that he picked up the deed, and said this is the deed.

X Q 5. Did he at that time claim he had a right to cut the timber you were cutting?

A. Well, he employed me to cut it, and I cut it. I had the contract with him.

X Q 6. You have worked on that house since the <sup>first</sup> work you speak of having done, have you not?

A. Yes sir. I added the bay windows to it. I put the roof on it. Done some other work there. Right smart work. I did principally all of Mr. Baylor's carpenter work for him.

X Q 7. Did you raise, or assist in raising, the ell part of that house so as to make two stories?

A. No, sir, I put a roof on it, is all I had to do with it.

X Q 8. Please state as near as you can when it was that you put in the bay windows or octagon ends of the house?

A. Well, sir, I don't know how long it was. I think it was about 7 years ago.

X Q 9. And was the ell raised a story about the same time?

A. No, it was done some time before that.

X Q 10. For whom were you working when you put in those bay windows and put the roof on?

A. I was working for Mr. Baylor. He employed me.

X Q 11. Who raised the ell for Mr. Baylor?

A. Mr. William Neff.

X Q 12. The ell was raised and the improvements which you put to the house were all made since the death of Mrs Hattie M. Baylor, were they not?

A. All the work that I ever had a contract for with them was done since the death of Mrs. Baylor.

X Q 13. Mr. Wolfe, you may state if you please what would have been the fair value of the improvements made to that house by raising the ell another story, and by putting on the octagon ends or bay windows, as done by you, including the metal roof that was put on?

A. It would be merely a guess with me, of course. Well, I would say from \$400 to \$500. \$400 anyway.

X Q 14. Mr. Wolfe, did you ever hear a conversation between Mr. Baylor and any other person in which there were any threats made as to turning Mrs. Jennie Baylor out of that house in the event that Charles E. Baylor should die before she did?

A. I don't remember that I ever heard anyone tell Mr. Baylor that they would do that. I never heard anyone tell Mr. Baylor that.

X Q 15. Did you ever hear any person make a threat to throw Mrs. Baylor out of that house and property in the event that Mr. Baylor should die before she did, and if you say that you did, you may state who it was?

( This question is objected to, because incompetent, irrelevant and immaterial to any issue in this suit.  
L. T. Hyatt. )

A. I can't say that he ever threatened to throw her out. But I have heard some persons say that the property belonged to her three children; that they intended to see that they got it, as it was theirs. Mr. R. B. Beaty said that. That was in the lifetime of Mr. Baylor, and after that I heard Mr. Beaty say that he had given all that up, and concluded just to let it alone.

By Mr. Hyatt.

R Q 1.           The originsl dwelling house on said land was built in the lifetime of Hattie M. Baylor, was it not?

A.               Yes, sir.

R Q 2.           Andthe two story front, with straight windows, was also built in her lifetime?

A.               Yes, sir; the original house was built in her lifetime, is my recollection.

R Q 3.           Were the octagon ends and the metal roof built at the same time or about the same time?

A.               No, sir; the metal roof was put on when the ell was raised, and the octagon ends was put on some years afterwards. My recollection is that I put the metal roof on both houses at the same time.

R Q 4.           What was the condition of the old roof on the building at the time the metal roof was put on?

A.               It was a shingle roof.

R Q 5.           In good or bad condition?

A.               I don't remember. It was leaking.
